“ My husband, David, first met Susan while she was working at Pope McMillan as a paralegal. I did not know her at the time, but remembered David talking about how smart and capable she was. Later, Susan worked at Parker Law Office for David and Carey. She was always a joy to work with and was such a good and loving person. Susan will be missed. Much love to her family. Sally Parker

Susan really enjoyed helping folks out and was helping Carey with our Estates clients throughout. She had a wonderful way of comforting people as they went through the emotional experience of working through the legal mandates of Estates as they were grieving. She will be missed by many, many people.

“ To Trent, Laycee ,and the rest of Susan s family. My condolences. Susan was a vital part of Pope McMillan for many years she earned both the respect and the affection of not only our entire staff but our clients as well, many of whom would call for her directly rather than one of the lawyers . She regularly adopted clients and when she did was a rock of support and assistance to them.. I will miss Susan and know you will miss her even more. Bill Pope
