“ Susie Q I am brokenhearted. We had so many plans to do more sewing in the mountains. You were the kindest, nicest and sweetest friend anyone could ask for. We have so many fine memories together with Bud and Paul. I received my birthday card the day you tragically passed. I saved it to open Sat . Oh how I wished I opened it Thursday and spoke to you one last time. You are forever in my heart. God has a special plan for you. Rest well my dear friend.
