Sylvia worked various jobs throughout her lifetime, but her favorite role in life was that of a loving wife, mother and grandmother. She was the happiest when she was surrounded by her family. Her family meant everything to her. Sylvia's life was a living example of love. “ Uncle John, Kristine and Angie I am so sorry for your loss. Aunt Teeny was a ray of sunshine to be around. I know after my momma passed away Aunt Teeny was always there for me to talk to. I always looked forward to family vacations growing up because we would always spend it with your family and Grandma's family in Greenville. When I graduated from high school I spent an entire month with Aunt Teeny, Uncle John and Angie. I enjoyed every minute. I find comfort in knowing that Aunt teeny is in Heaven with my momma now. The Beasley girls are together once again. I will keep you all in my prayers. I love you. Denise Williams Morgan

Sylvia was truly one of the kindest people I have ever known in my life. She loved everyone and everyone loved her. When Kristine and I were roommates, I spent many nights and weekends at her's and John's, where she fed us delicious food she prepared. We danced in the kitchen to "Ain't Too Proud to Beg" and there was so much laughter. She was an amazing Mother to Angie and Kristine, but she also "mothered" their friends. If you were having a tough time you could talk to her and she always gave you sound guidance without being judgmental. She was one of God's angels on this Earth and those of us that knew her are better for it. My heart aches for her family but I pray that the wonderful memories of time well spent and knowing that she suffers no more, will ease the pain of losing her.

*I know God can fill any hole, and I trust He will fill the one in our hearts left from Sylvia's home going. She was such a kind , good humored, welcoming woman who over fed, always helped encouraged and boosted her kids and their friends in the right direction. What a blessing to have been in her life growing up and spending hours of vacation with this loving family. Sylvia cannot be replaced but thank the Lord she will be in our hearts and the memories she made for the people she loved will comfort us as we will miss her dearly.*
