“ *Heartfelt love goes out to the Raby Family. I have known TC for around 50 years. I knew his son Tommy. TC was the first person you called when you needed help fixing anything. He told such great stories and he never made a comment or told a story without that grin with a giggle. The community has lost a great one 🌹*

“ *Our family has many happy memories of TC. He was such a fine person and friend. He could fix anything with a hammer. I learned from him that “CW” country/western was the music to play on fishing trips. My prayers are with your family.*
