“ *Terry was my mom's younger brother. I remember the first time he brought his family for a visit. Hassan and Chris would come down for Summers or other holidays. They spent many weeks at our house. He was always to full of energy. I had not seen or heard from him in a while. I do wish we would've maintained close contact. Sad that he's gone, but I do realize he's in a better place...no more pain. Rest well, cuz.*

“ From my Family to yours Melissa, We would like to extend our Deepest Condolences to all of you. Hassan was my Childhood Cousin and Friend growing up in the Point. I will miss his fun and wit, our bike rides and basketball games and all of the things that I would never do now like play in the woods in our "Fort" and the creeks and not being afraid of anything bothering us. The world is different now, but I am Grateful for all the Great memories and Hassan was a Wonderful part of my Childhood that I will never forget. I love you all. Hassan will be deeply missed by all that loved and knew him best. Hug the Babies real Hard from me. Praying Still for Comfort and Peace for days to come. Love, Toni

“ Coach Kelly was our grandson Liams basketball coach this year. Coach called Liam, Clemson. During a game, Coach picked up Liam and let him make a goal. Liam was so excited.

*It was one of the most beautiful things I had seen in a while. Why? to me, I saw a snapshot of the Kingdom of God here on earth, that very morning in the gym. Coach was the very hands of God that morning to Liam!!!*

*Thank you Coach Kelly! Well done my good and faithful servant!!!*
