“ *The earth is the Lord's and everything in it, the world and all who live in it, for he found it on the seas and established it on the waters. Who may ascend the mountain of the Lord? Who may stand in his holy place? The one who has clean hands and a pure heart, who does not trust in an idol or swear by a false god.....So very many emotions to deal with, ten years of loving you, and then loving you forever. Trying to put my grief aside and be happy that you are no longer in pain and that you get to be with your beloved mom. We made many happy memories in our time together and I will hold them in my heart always. May you fly with the angels Terry and you find God's peace. I will love you always, Diane*

“ *Man I'm gonna miss you, the laughs , the encouragement, how we gave each other advice in a crisis. I can still hear you bragging about meatloaf because you ate some before me. This is one of the most saddest days for me because I lost a friend that respected me and I respected you. We never made it to fish. Rest In The Lord's Hands My Friend. May God Strengthen The Family, lift their spirits and Hug their hearts with his Holy Spirit. Good bye My Friend*
