“ *I met Theresa when I helped with someone at Genesis/The Citadel. She gave me words of wisdom about life that I will carry with me forever. She was very outgoing & friendly. May she rest in peace.*

“ *Terry was such a bright spot. I made friends with her when I use to go to the nursing home and do exercise with the residents. She always came and we had such a great time !! She was very very special!!*

“ Terry stole my heart. My Mom was a resident of Genesis a few years back.

Terry sat on the front porch many times with me, my Mom and many others. She kept me laughing and lifted me up when I was sad. I laughed with her as she told me about her son, Tricky Rick, her nursing days and lots of other things.

I loved her, she was a special lady.
