“ I send my deepest condolences to the family and friends of Mr. Ingles. Although I did not know him personally, I've experienced the loss of a loved one some years ago and know it is a difficult situation to face. I pray that his family and friends can find comfort in God's Word, the Bible, and continue to rely on Him in prayer. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they are resurrected back to life. We can be confident in that beautiful and exciting promise, and may it bring you hope and peace!

“ My deepest condolences to the entire family of your dear loved one. Although I have never had the privilege of meeting him here, I'm sure I'll know him in Heaven. I've heard so many endearing stories of him through his daughter, Vickie (my precious sister in Christ). I've been praying for her as she's cared for her parents in their home. I heard how much love he loved his wife, children, and especially grandchildren and great grandchildren. My prayers follow his wife, and all his precious family members.

“ So sorry to hear of Thilbert's passing. He was one of my father's best friends and helped my dad out in his garden many times. I remember Tilbert bringing bread to my parents house and my father sharing with me. I always saw a smile on Thilberts face and he was never to busy to ask how my family was doing. I will miss seeing his garen grow and seeing him walking around the edges of the garden. A sweet soft spoken man. RIP my friend. You and Daddy will have to garden in Heaven.
