“ My brother. I hold on to the last time we spent together. You , Ty, and myself sitting in the mobile cigar lounge at my wedding. And then the hug we gave and the I love you bro that was shared. If I knew that would be the last time I would see you I would have never let go. You were my humbleness, my guide, my rock. I know you knew the importance and love you were to my life. And now, I have to figure out how to navigate life without you. As I sit here and write to you trying to hold back tears, I know you are watching over us. I miss you so much my Big Brother. And as long as I have breath in my body I will look over the girls and our other brother Ty. I love you and may you now and forevermore RIP.

Your Brother
