“ We will always remember Tom as the one with the grin, he was always happy. No matter the pain he might have been enduring, he laughed and smiled all the time. He was so kind and giving, we have know Tom for a few years and We would come down to play pool and with all his favorite arcade machines. He would try to teach us how to beat him in pool, but it never really happened. He was always encouraging and gave us some great advice for our future. Through Tom and Kathy our lives have been changed for the good, they have opened doors for us they don't even know about.. truly an amazing man. We are forever grateful for the time We got to spend with Tom. There was Never a dull moment. He will be missed very dearly. Kathy and family , we think of you in this time and will always be here for you! Lots of Love, Justin and Brittney.. the neighbors.

“ We loved seeing Tom at Janine's parties. He was always there early, with his brother, Jim, finishing up whatever crazy project Janine had them working on. I loved the way he sat back observing the craziness with a grin on his face. One party, Louis arrived late after being out on his bike. Traffic was backed up on 77, so Louis & his friend decided to ride the emergency lane. Not a good plan. He got a ticket. Well, the ticket he ended up with was issued to a man named Frank, who drove a station wagon. This was the joke of the night and from there on out, Louis was known as Frank. We still laugh about that!! Tom was just the sweetest man, so kind and so helpful. Such a quiet force. Janine's parties will never be the same....Godspeed Tom....

“ So glad I had the pleasure of meeting this great family through my best friend Michele. My favorite memory was having pasta at the Webster Ave house. I learned how to really eat pasta with a fork and spoon thanks to Tom. It's a memory we all can laugh about. Bless you and your family 🙏😭💔
