“ Thanks for the Memories, Tommy. I think often and fondly of his interactions with his Mother. He was so thoughtful, kind, gentle and considerate. That's his personality. He treated everyone that way. His posts on Facebook always made us roll on the floor laughing. We never knew if he made them up or re-posted them, but they all had a common thread. When we hear a really funny joke we say "that's a Tommy".

Tom is a very special and unique person. His humor and wit is one of a kind. He has finally found peace. I just found out about his journey home 1/25. I pray his family has peace. Tom and I were together about 4 yrs. I find comfort knowing I will see him again. Teresa

“ To Tom's family, sending prayers of comfort during this time of sorrow. Tom will be missed by many, including myself. He was such an inspiration, fighting his illness, regaining independence, and the desire to return to normal life once again. He was a bright spot for many, sharing humor, and positive goals.
