“ *My thoughts and condolences are with the Hofrichter family during this time of sadness. During the 90s, this kind and thoughtful man was my father in law..He always had a great smile, and his love for family was obvious. His sense of humor was great. I know he will be missed. May he rest in peace.*

“ *Condolences to Evelyn and the family. I had the honor of working with Tommy back in the late 1980s & early 1990s. He was a great guy who eventually became a friend. Our association was ended too soon, but he got to know my family and I his. My family's thoughts and prayers are with the Hofrichter family.*
