“ *Memories of Tom go back to a time at Crouse-Hinds when he became my interim boss. From that time on he and I became friends forever. How I admired his wit, charm, vast knowledge of so many things, and his strength. I remember he wrote up my yearly review (which I type up later) and as a joke, he wrote that instead of a raise, he wrote that I owed money back from my previous raises! Of course, when I typed it up, I laughed so hard at this bogus review. I knew his past journeys and was so happy when he finally met the love of his life, Rose. In my heart, I am grieving he and Rose were my forever friends. I will dearly miss him.*
