“ *Tim was one of my favorite people in high school. I was his fake girlfriend and I loved every minute of it, I love what he wrote in my yearbooks, and I hate that we lost touch over the years. There's no words that I know will help those who are grieving, but take comfort in the knowledge that you were loved by a very special guy and you had the blessing of knowing him in his adult life. God bless you all.*

Tim was a very special friend to me. My daughter and I , and the doctor he saw, felt honored to help care for him, and get to know his kind heart. Our doctors office is truly heartbroken over the loss of this kind gentle soul...i will miss him so very much. And God Bless Tom for taking such good care of him in his time of need. You are so very special to us, as well. The world lost a great man, may he rest in peace.

I met Tim while visiting his antique store. He love to share his knowledge of antiques. I will miss seeing him at the stores in Mooresville. Prayers for Tom during this difficult time.

Dear Tom, I just saw Tim's obit. In the Mooresville weekly this Friday....I am so sorry I found out so late...We had some good times in the Antique business for many years...he'd always be waiting for Mike and me to pull in from NY so he could buy treasures as we unloaded at Coyote's, or Saturday mornings at my store on Main St. For the same reason....we all had some Great times at your Christmas Parties...and if Tim, Marsha and Mike and me could have come up with \$15,000.00 each at the time we would have owned Epic Chop house building and a couple of others, but Alas we were all too broke.....every time I drive by the boarded up building at the end of the row, it makes me so sad... Tim had fixed up that old diner into a lovely Antique shop....Please call me if there is anything I can do for you....704-305-9077 ...Hugs and Blessings, Marietta
