“ *Dee,
As you know, we have so MANY MANY memories. You were both there for me during one of the hardest points in my life. Scott was protective of me. He treated me like a sister and even called me his lil sister. He was funny, smart, caring ... He was simply the best. Memories.....Geez.. all the pontoon and jet ski rides, dinners, Nascar racing, a certain birthday, the list goes on.... the best though was just hanging out..just being ourselves..shooting the breeze and enjoying life.
Scott enjoyed life! He made life fun!
I will miss my big brother terribly.
I will keep you and his family in my prayers. I'm sending healing hugs.
Love,
Kim, lil sister*

“ I'll never forget the first time I met Scott stuck in the field in his truck when I first moved in next door. I helped pull him out and we were friends ever since. We would always just laugh when I would tell him I hit that damn rut again on the lawnmower, and I will remember him every time I do it still.
He would also always stop to say hi when driving by when outside and we would talk for awhile about just anything.
I'm going to miss my friend !!

“ I never saw Scott without a smile on his face. He lived life to the fullest. Whenever I needed anything he would drop everything he was doing and help me. I thank God that one of the last things I got to say to him was "I hope you know how loved you are."

“ *My memory of Scott was that every time I was around him he was always smiling! My husband Tim said that he never can remember a time when he was in Scott’s presence that he was so kind and pleasant. Even though we did get to spend a lot of time with him he will always be a friend to us! We love Dee and the his family deeply!*
