“ Mike and I have known Tim for 20+ years through a mutually friend, Willis Guyton. He was always so kind and patient with everyone, especially with Willis in his later years. He would help in anyway he could and when I could see he was sick and having difficulty getting around he would say it was nothing but a bad day and tomorrow would be different which it never was. Tim will be greatly missed by many. It appeared to be his mission to help everyone who needed it. I know he wanted to end up in Key West and I hope he makes it there.

“ Tim was my first baby. I was nine years old when he was born. What joy he brought to our family. Mom n Dad and I hovered around our beautiful baby boy every minute. I remember my Grandma Hinson had all her children and their spouses go together to buy his baby bed. Such fun! Such joy he brought to all of us in the family. My sweet brother does not call in the morning anymore to see if I made it thru the night . He doesnt call after sundown to see if im safe n locked in my home. My heart and my body aches with sorry over my baby brother going to be with the Lord before me. People are not supposed to bury younger siblings. He always made me laugh. He told me the jokes he could only tell me. We talked many hours lately about Mom n Dad. It was always about how much we missed them. We also talked about how we still love the sweet people at Roanoke Baptist n Dads other churches. Many years have passed but our childhoids were a true time of joy. Being at Grandma Hinsons or Grandma Plylers was always a treat for us! We both loved our Grandmas n grandpa Hinson with all our hearts. Tim told of getting his head knocked w Grandpa Hinsons crook neck oak cane when he did something. It made a lasting impression many years later. Fun,laughter n joy was my brother. Now hes enjoyed fun ,laughter and Joy with Mom and Dad n many other Plyler and Hinson relatives we both love so much who are already in heaven. Help me be strong until I can be with you all. Remember Tim. I love you with all my heart. I miss you with all my heart. I am comforted by knowing your pain and broken heart is over. Love you buddy. Your sister. Jane Plyler.
