“ *I will always remember the fun times and laughter we shared at Charlotte Motor Speedway. Especially when back in the day Tim would ride in my Earnhardt decorated wagon in the wagon races. Tim's brother Rick would push him down the hill and around the curve. Most of the times they would win. All his racing family and friends would cheer them on. One time Tim got in a Rubbermaid gray cart and Rick pushed him down that hill but that time it turned over and Tim went rolling down the hill. We all went running to make sure he was ok. The first thing he said was CLEAR !!! We will miss you cuz so very much. You left us way too soon. I know Tim was greeted by his Mom Ann and Dad Herbert and Brother Rick. They went walking up the stairway to Heaven to meet Jesus Christ. We will see you when we get there.*
