

Todd William Klopp

February 9, 1957 - March 26, 2025

Todd "Poke" William Klopp, 68, of Mooresville, NC, went to be with the Lord and Savior Wednesday, March 26th, 2025.

He was born on February 9, 1957, in Lima, OH, to the late Robert William Klopp and Dora June Klopp. In addition to his parents, he is preceded in death by his brother, Michael Klopp; and nephew, Aaron Crumrine.

Todd graduated from Lima Shawnee High School in 1975. He attended and graduated from the United States Air Force Academy in Colorado Springs. He was commissioned in 1979 and retired after 20 years of service as a Lieutenant Colonel.

Todd married Emily Riley in 1980 and after traveling the world together they retired in 2019 to Lake Norman, NC where he lived in great health and happiness with his family.

Without question, the most important aspects of Todd's life were his faith and family. He was a devout follower and witness for Christ. His love for his wife and family were unsurpassed.

He leaves a legacy to be cherished by his survivors: his wife of 45 years, Emily Klopp; daughter, Olivia and husband Robert Childress, grandchildren

Esther, Maeve, Winston, Dixie (dog); son, Zane and wife, Catherine (Tharp) Klopp of Charlotte, NC; brother, Daniel and wife Janice; sister, Sandy Crumrine; and sister-in-law, Marsha Klopp; and a host of nieces and nephews.

A celebration of life with full military honors will be held at 1pm on Friday, April 4th, 2025, at Cavin-Cook Funeral Home, Mooresville.

In lieu of flowers, donations can be made in his memory to the Navigators Organization.

Cavin-Cook Funeral Home & Crematory, Mooresville, is serving the Klopp family. Condolences may be made to the family at www.cavin-cook.com.

“ Todd was like an older brother to me. He taught me about honor, duty, and, most importantly, how to own my future. To Emily, you have my deepest sympathies for your loss. To Olivia and Zane, we were never close; both of you came along some years after your parents and I lived closely together. Still, I want you both to know that your father was one of the most special people in my life. He was my childhood hero and his impact on the course of my 58 years of life is indescribable. I send my love and thanks to the entire Klopp household; Poke was a force of nature.

“ Emily - I was very sorry to learn of Poke's passing. He was an inspiration to me as I sought admission to the Air Force Academy (but wound up at West Point due to my eyesight). I remember fondly on one summer leave flying with Poke and Principal Clark out of the Lima airport. It is heartwarming to see so many of our Shawnee alumni share their memories of him (Jeff Herzog, Corkey, Jay Belton). I see that our paths (unknowingly) might have passed as I was assigned briefly to Spangdahlem to an Air Hawk Battery. As we say from WP, Be Thou at Peace.

“ Emily, Olivia and Zane,

Dana and I were devastated to hear of your loss. We have great memories of our time together at Wright-Patt. Todd and I spent many an hour in the gym during our time together at the F-16 SPO. We remember our family outings with you guys, and being amazed at your diligence with Zane, as you even had to check the ingredients on the cracker packages. We had hoped to see you again at the 45th reunion in October. Please let us know if there is anything we can do for you, other than offer prayers for your comfort. He and his smile will truly be missed. God bless you all.

“ To Emily and family, Lydia and I cherished our time together at Spangdahlem and visiting you in Ohio (on many occasions). I especially enjoyed his, oft repeated, story of your courtship. Poke was a great friend and I am sorry we lost contact over the years. He was a great friend and confidant to me and Lydia, as are you. My children liked him although I just asked them and apparently they were too little to remember. He was a good officer who led well and with integrity. I am sure his Christian faith served your family well. Ironically, I was contemplating trying to contact him about a month ago - I missed an opportunity. Lydia and I are praying for you, Olivia, and Zane.

“ To Emily and the family, we're shocked and saddened by this tragic loss. Todd was a positive influence on so many people, and he will be missed. There's no way to count the difference Todd made as a AF Academy cadet, Air Force officer, and with his friends and family. As one of his fellow classmates, I speak for over 900 of us who persevered along with Todd in our 4 years at the Air Force Academy. He was one of us and will not be forgotten. - Keith Kries

“ Poke was such a good friend over the years. He and I spent lots of time together in our younger years. From playing on the Quilna's with our coach Butch to Student Council and Shawnee youth group. Pokey and Corky went together. We both got our Academy appointments Senior year. Wish we spent more time in Ashburn. Our moms were great friends. I have loved both Em and Poke for most of my life. RIP ole friend. Peace and comfort to family and friends. All my love!! 🕊️💜🕊️💜

“ I met Todd through mutual friends. We only chatted one time. It is not often that you meet people who can get deep and wide right off the bat. Because of our faith in Jesus we spoke the same language, so chatting was enthusiastic, cheerful, and rich.
Psalm 1:3 pretty much sums this tower of life:
He is like a tree planted by streams of water that yields its fruit in its season, and its leaf does not wither. In all that he does, he prospers.

“ *The Fitzgerald family will never forget the hospitality given us by Todd several years ago when we were visiting our son, Sean, who had recently had major leg surgery in Charlotte. Todd invited us all up to his cottage on Lake Norman where he cruised us around in his sleek speed boat until the sun went down and then we enjoyed a picnic under a beautiful full moon.*

Sean was able to forget about his aching leg and we have lasting memories of the beautiful cruise and Todd's warmth and the genuine hospitality of a Good Samaritan. We will never forget him. God rest his soul.

“ The loss of Poke brings back so many memories of us together growing up. He was one of the youngest kids in the neighborhood but was always ready to go foraging for arrowheads with me in the fields around Hume Road. He was the first to grab a sled or his ice skates and join up to go sledding behind St. Matthew's Church or to go ice skating on Bunke's pond. He was five years younger than me but always stayed up. As time went on, age took us apart but I celebrated his successes and was so proud of him when he received his appointment to the Air Force Academy. Poke was an all around good guy. I can only imagine how much he will be missed. May your many memories of Poke sustain you, all.

“ First and foremost, Todd was one of the strongest and well-read men of God I have ever known. There is nothing like a men’s Bible study with Todd.

I imagine him in the Lutheran section of heaven right now, trying to sneak in John Calvin to join him for a beer with Jesus, and likes of St. Peter, St. Paul, Martin Luther, and Dietrich Bonhoeffer.

Todd leaves a big hole in the lives and hearts of a lot of people. But, I’m sure he would tell us to remember the words of his friend Jesus, “I am leaving you with a gift—peace of mind and heart. And the peace I give is a gift the world cannot give. So don’t be troubled or afraid.” John 14:25 NLT
