“ *We are so sorry for your loss. Although I know the loss of a sibling, I can't imagine the pain of losing a child. Please know Aunt Bea that you have three very strong children still with you to lift you up and hold you when you need it. Please know we are with you in spirit and heart and wish that we could be there with you. Love to all....*

“ *Aunt Bea, Cindy, Eddie, Donna and P.J., Our hearts are very heavy today, knowing the sorrow you are going through right now. As I said before, we know the ache of losing a sibling. Please know that soon you will begin to remember the good memories and the fun times you all had as children. He may be gone in presence, but he will be very much alive in your minds. We also wish we could be with you at this time. We will continue to pray for the strength you will need in the coming days. We love you all..JoAnne and Al*

“ I send my deepest condolences to the family and friends of Mr. Price. Although I don't know the family personally, I'd like to offer some consolation from God's Word, the Bible. John 5:28, 29 talks about the hope of seeing our loved ones again when they are resurrected back to life. Once resurrected, they can enjoy the promise found at Revelation 21:4: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain by anymore. The former things have passed away." May this beautiful promise bring hope for the future and peace of mind now!
