“ I am so saddened at the sudden passing of Toni and just know she was a fighter to the end. Our thoughts and prayers are with all the family of this special lady. My association with Toni was through her work at Ingersoll Rand Davidson where she worked as a Customer Service Specialist and was a true champion for our Customers who needed critical parts to get their down compressors back on line urgently. It was her job to co-ordinate getting the necessary material through whatever source in Operations or Suppliers and get that material shipped. This was not an easy task in a tightly run parts Inventory Operation as was Davidson. Toni would ,pursue every avenue to get each customer situation taken care of. Toni did a great Job! “ To the family, my deepest sympathy for your loss. May God hold you in his arms to provide you with peace and comfort through this difficult time.

A precious friend has opened her Angel wings and has a halo that glows brighter than the sun, wrapped in God's arms, smiling down on us dancing & singing, preparing a meal for those that were awaiting her arrival. No more pain, but a friendship we shared that will always provide a light and a smile to carry me through my life along with cherished memories to guide me through my loss of such a precious soul.

“ *Growing up as a member of the Church Street Gang, Toni was my next door neighbor and one of my best friends. The last time I saw her I had stopped by for a visit in August ‘21 and it just happen to be her birthday. True to Church st open door custom, the door was ajar and Toni yelled “come on in, I don’t get around as good as I used to.” My sympathy to you all and may God be with you during this difficult time. We know heaven just gained another Angel
