

Tony Allen Moose, Sr

January 22, 1956 - September 2, 2022

Tony Allen Moose A.K.A Old Man, 66, of Mooresville, North Carolina, went to be with the Lord on Friday, September 2nd, 2022.

Tony was born January 22nd, 1956 in Statesville, North Carolina, to the late Libby Bostian and Banks Moose. He married Arlene Ann Cline A.K.A Pebbles on April 20th, 1982, and went on to have two handsome boys, Tony Allen Moose Jr and Mitchell Scott Moose. Throughout the years, Tony and Pebbles relationship showed everyone what genuine love looked like. Through thick and thin they never stopped loving each other even after 42 years. He was always excited to see his boys get married and have children with the love of their lives just like he did.

Most of his life was spent working in the automotive field, fabricating and painting cars. He's always had a passion for an ice cold beer and classic cars. In his later years, he enjoyed gardening vegetables and hanging out in the shop.

Tony was a man who never met a stranger and would give anyone the shirt off his back (if he was wearing one). He was never afraid to speak his mind or show his love. The Moose household has been a home to many people and no one ever left with their stomachs or hearts empty. Tony has touched so many lives and will be so greatly missed. All of the memories of Tony will keep

him alive in our hearts and minds.

His service will be held at 3:00pm on Saturday, September 17th at Cavin-Cook Funeral Home, Mooresville. A celebration of life will be following the service at The Moose Lodge.

Cavin-Cook Funeral Home & Crematory, Mooresville, is serving the Moose family. Condolences may be made to the family at www.cavin-cook.com.

“ I originally met Tony through Arlene. I used his services a couple of times when I had car body issues. He was easy to know was respectful and had a great sense of humor. Anytime I saw him we'd stop and take a minute to catch up with each other. I will miss him.

“ I met Tony and Pebbles last winter at our doctors office. Tony invited me to his home for warmth, food and fellowship as I was living in my van and I was cold, hungry and lonely. Tony and Pebbles allowed me into their home for several days. I was so blessed to meet their entire family and they are all an extension of Tony. I fell in love with all their family and I am grateful to have known Tony for the short time I did.
