“ *I have known Vance my entire life, and he is one of the most lively and wonderful men that I have ever met. He and my father Paul Alley were very good friends. I remember a day last fall before my father passed, Vance called and stated he had just got home from rehab, could I bring daddy over for a visit. I am so glad I had the honor to be with the two of them as they had their last visit and said their goodbye, but I know there is a big fish fry in heaven today, with both of them chewing the redman!!! God bless family and friends, don't let this be a day of mourning but of celebration of home coming. I love this family and I loved Vance Deal who was a great family friend!!!*
