“ Hello, My name is Julie. I met Vickie at a nails salon that I use to work at in Mooresville. I just wanted to say that Vickie is such an amazing person. After meeting her for the first time, we both instantly fell in love with one another and became friends. I will forever cherish the great conversations we had with one another. I love you Mrs. Vickie!

“ I am so sorry to hear of Vickie's passing. I work at her daughters dental office and I have known her for many years, she stopped by the last time she was in Statesville to let us know how her kids were doing and asked about our kids also. She was a very friendly woman and will be missed by all. Her kids brought her great joy in her life, her girls and her daycare kids.

“ Praying for comfort for Tim and the family in this time of grieving for the loss of such a special lady. Vickie always had time to stop and talk to me with kind words for her family and all the children she watched. We loved her at Dr. Putnam's office. Thinking of your family.

“ Vicki was a very special person, and I'm so fortunate to have had her as a friend for the past couple decades. I loved her like a sister. She was one person anyone could count on when they needed something. I will continue praying for God to hold and comfort each of you in the days, weeks, months, and years ahead. May He give you the peace that passes all understanding.
