“ *So many memories, so many involve cars - one of Roy's passions. Roy driving back to Brunswick after Mom's passing - in uniform with his 48 Chrysler coupe. Roy's baby -the 56 big window pickup. Roy showing me TJ's early ATV's that they raced. Going to the track with Roy and TJ in Carolina. But in addition to these are the memories of the warm, laughing Roy with that teasing grin. He loved to tweak you and then laugh - always with good humor and love. One helluva guy and a better big brother. Ed and Pam*
