“ I met Miss Gail at the Mitchell MackHospice House in February this year during her first visit with us. As a volunteer, we enjoyed time together putting puzzles together, conversing on her love for her family and, of course, painting her finger nails a bright beautiful pink! I had the opportunity to say good bye to her and her family during her last visit with us on April 7th. What a blessing to have known this wonderful woman who made my heart smile with her true faith. Thank you Miss Gail for sharing your love!
Respectfully, Karly Bozick, Volunteer at Mitchel Mack Hospice/Mooresville

“ I enjoyed the times Gayle and I spent together when she and her family came to visit some of their relatives who for a brief time lived on our farm. It was in the summer before we would leave our smaller elementary schools of Brawley and Mt. Mourne and enter into high school with students we had never met. Our sharing our feelings with each other about that helped me. Students at that time could choose to go to Troutman or Mooresville high schools. I went to Mooresville. Gayle must have gone to Troutman. We lost touch with one another (her relatives moved away from our farm). But her friendship has never been forgotten and made a positive impact on my life. I am grateful for having been given the opportunity to know her.

“ I have many good memories visiting the Nichols family. Gail was my best friend growing up in the Brawley School Road area. We went to Mrs Mary Alexander's store almost every day and I'll always remember the fun times we had living in the country. Her family had a TV and we watched the soaps and Hit Parade! Hers was like my second home. Here is a picture of us and her in her Easter dress back in the 50s.
