“ Kay Kay was like a grandmother to my daughter, Mia, for years and years. She bought her the cutest outfits and bows, and even monogrammed them. Kay bought Mia her Christmas outfit EVERY single year. She attended every birthday party Mia had. And Mia was a flower girl or junior bridesmaid in each of her daughter's wedding. We love Kay and cherish every memory we had with her. She was and will always remain unbelievably special to my family, as she was a part of extremely important memories we had and cherish.
