“ Vivian worked for me many years at BC. She cared so much for her patients always with kindness and the sweet smile. She was a humble lady never seeking attention. She loved her family so much and we often talked about them. Her cabin was one of the joys of her life. Spending time there renewed her body and soul. In a blink of an eye we are here then in heaven rejoicing

“ Amy, Melanie, Heidi, Aron & Robin, my prayers are with you all. Mrs Vivian always had a smile, kind words & love for all she encountered. Growing up in the Shearer community, I can say, the love & examples set by your Mom & Dad had as much influence on my childhood as that of my own parents...very blessed. ME

Vivian and her family were a great inspiration to me. I loved spending time with all of them . Fun times with Sunday school class and evenings at the log house .

Discussing the Bible and great religious books and our favorite authors. Heaven gained another angel. Vivian and Bobby are together again . The family has precious memories to carry them in the loss of A precious saint of the Lords.

Love to all of them .
