“ I met Walter, last year when I began working at Larkin Golf Course, in the pro shop. He trained me and was very awesome as Im not a fast study. He was such a sweet man. I was happy to see he still worked at Larkin when I went back this year, each morning when I would come in to work, I would ask if he were thirsty, he always had a diet coke with 4-5 pieces of ice. I miss watching our favorite news channel together, and talking about current events. I miss saying, morning Sir Walter, as I would come in to work. Its just not going to be the same without him there, I pray for his family and friends, I am so blessed to have met him, he always made me laugh,...goodbye Sir Walter,

“ Wally you will be sadly missed. My memories started at the golf center where I first met you and Jean. Tom and you always up to shenanigans of some sort. Trips to Vegas usually consisted of me at the table with the men and Tom and Jean off somewhere. Our families are so intertwined from the first time we met. Rest in Peach my friend and give Terrible Tommy a hug from me
