“ *Danny and family, We were so saddened to hear of Colleen's passing. I had tried to call her only a few days before as Dee and I were remembering some old times with her. My favorite was that she was my REACH buddy! She was so patient with me trying to get me to knit instead of crocheting a prayer shawl. Many times she ripped out my work and started me all over again. I loved her sweet smile and kind and generous spirit. Be comforted knowing that she is resting with her Lord. Our thoughts and prayers are with all of you.*
