“ Tracey, Donna, Gaye and family, Betty and I are so sorry to hear of the loss of your father.. We have fond memories of Wayne, particularly of him helping the girls with those Chester Elementary school projects. Wayne was a gifted carpenter, besides building their house,, he was often called upon to construct homes for the many different pets that the girls brought home. It was a family project when he allowed us to release several baby ducks and young quails that we hatched in our classroom on his land.. We will always remember Wayne for his quick one liners and his easy smile. Those were good times making wonderful memories. Our best to you all.

“ You were my best friend. You supported me through the very low parts of my life, and celebrated the highest points. You were such an amazing man, who would do anything for anyone, at any time. I'm so proud of you. Every story I hear from friends and neighbors make me realize how special you truly were and how much you meant to everyone you met. You will NEVER be forgotten and you will ALWAYS be in my heart. I love you Gramp. Watch over all of us, and give dad a hug for me.
