“ *I was one of Bill's card friends. We played Euchre on Friday afternoons and sometime Wizard during the week. Sometimes a small group, including Bill went for an early dinner after cards. Bill was always cheerful and we shared several laughs together. Recently, we almost ran into each other with our cars. I was pulling out of Lowes and he was pulling out of Food Lion. I pulled into the curb lane and this other car, coming the other direction pulled in the other lane at the same time. I cursed the driver under my breath however when the cars were side by side I looked over there was Bill. We sort of shook our hands at each other and then laughed. We have several good laughs over that event and both of us said we were right! He will be sorely missed! (Bill I still say I had the right-off-way LOL.) Shannah*
