“ Carol, and family, Denise and I were so saddened to learn of Bill's passing. I have many fond memories of working with Bill over many years while at Sea-Land and Maersk. He spoke often about you, Carol, his girls, and grandchildren. We always enjoyed the opportunities and times we got together when he, or you both, returned to New Jersey. Bill was a good friend, good husband, good father, and most importantly, a good human being. He will be missed. Our prayers are with you, and family, during these difficult times.
