“ Carol, I was so sorry to read of Bill's passing. I knew from Mike he wasn't doing well but was very shocked to read this. I remember when we were both little and he was with Aunt Cora, and these were the War years and he was so little but he went to the store all the time for her and knew all the ration stamps, what they were for, and I don't think I ever even saw one. We used to be fairly close when we were little but after Aunt Cora died and he went to Mae & Ted's, we didn't see one another that often. Please know my thoughts are with you and Wade, again, I am so sorry for your loss. Take care, Nancy

“ I send my deepest condolences to the family and friends of Mr. Johnson. While no words may ease your pain, rest assured that the pain we feel won't go on forever. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they're resurrected back to life. Once resurrected, they can enjoy the promise found at Revelation 21:4 which speaks of a world in which death, tears, mourning, and pain have no place, for “the former things have passed away”. Please visit our website at [jw.org](http://jw.org) to learn about this beautiful hope and more.
