“ I am so sorry to hear about my great Uncle Bill's passing. We have such great memories with him. I was blessed to be able to spend time with him in Florida when I moved down here as well. Even as an adult, he has called me "Rooster Pooter" since I was a baby. I have baby pictures with a stuffed rooster so I'm thinking that is where he came up with that. He always put a smile on my face and a warmth in my heart. He was a kind, loving man. He will be missed.
