“ To my father-in-law, I just wanna let you know you are a good man you had a heart of gold. Are you sure we're going to be missed? I just wanna let you know. I love you with all my heart and soul and I'm gonna miss you. miss the times that we had together. It hurts me that you're gone I couldn't ask for a better father-in-law. I enjoyed the times coming over to your house and cutting up having dinner and talking about old times you truly are going to be me. I love you Mike couldn't ask for a better father-in-law I know you are riding high on that bike with your sister and looking down and making sure we're all OK. I just wanna let you know why you've always told me. I will take care of your grandkids and your daughter. You will never have to worry about that. It hurts me that you're gone. God's got you in his hands now no more pain and suffering God's got you in his hands now I love you, Mike

“ Oh My sweet handsome young soul, where do I even began with this 😞💔😭. I'm beyond speechless for words. I never ever imagined In my 18yrs of living that I'd be having to deal with one of the most difficult things in life. For sure was NOT prepared for this moment in life. My whole entire world is upside down now. I know your no longer suffering and doing better than all of us but damnit pawpaw :(.. You wasn't supposed too leave none of us like that. You left us all in this POS world ALONE..that was not supposed to be the case. I wish I could've took all your pain away. You are one of the TOUGHEST men I know. You fought till the very very end and did it till you couldn't no more and I'm so proud of you for the hell of a fight you put up but I'm so sorry it came to that because you know we are all very stingy and didn't wanna lose you. You are the absolute BEST pawpaw me an Dacota could've ever asked for. Nobody in this world will ever be able to replace you nor the Special place you hold in my heart. I will forever be a pawpaws girl ❤️☐.. I love you with my whole heart and will forever miss you. I'll be repping your name forever you will never be forgotten, I hope your Riding Mrs.B!tch like there's no tomorrow. May my handsome pawpaw rest in peace.! I shall see you again my sweet angel. 💔🕊

Sincerely ~ Your one & only Babygirl 😭☐
