“ *Brenda*
Just wanted to drop you a note. I enjoyed working with you and Bill while I was a Financial Advisor with Wells Fargo. I have been retired almost 5 years and what I miss most is getting to know folks like you and Bill. I always enjoyed our times together. Bill was one of the most kind individuals I have ever known. I was so sorry to see his passing in the paper and you will certainly be in my thoughts and prayers.

“ So sorry for your loss. Bill and my dad, Glenn Brown, were in the same Sunday school class, after my Dads passing, Bill called my mom every weekend to check on her and give an update to the class, she was so appreciative of that. Thank you for this service and memory.

“ *Bill was a huge supporter during my elections for the Town Board of Commissioners. He and I would collaborate on some of the issues he had while on the Planning Board before those same issues were on the Commissioners Agenda. I valued my conversations with Bill and incorporated his thoughts and knowledge into my decisions. A huge loss not only for family but for the Town of Mooresville.*
