“ *My name is Brett and he was my father. I am his youngest child. When my father passed away, it was the hardest thing I have ever had to go through. I miss him and I love him very very much. I refused to say goodbye to him, just see you later. I have a lifetime of great memories that forever engraved his legacy. He was the greatest man that I ever had the privilege of knowing. My wife, Isabell, his daughter-in-law loves him very much and this was just as hard on her as it was me. He was a loving husband, father, and he was a life changing mentor for me. Although I want to mourn him, I feel it is best to celebrate the great life that he lived. He would've wanted it that way. I am sure he is lounging somewhere on the beach with his four legged friend, Otto by his side now. Lets wipe away the tears, when I see you again, I will bring the beers. I love you pops.*
