“ *Mark and Emily, I am so sorry to learn of your father's death. I miss your mom so much and when Debra, Sharon and I are together we always share memories of her. We loved seeing your dad when he would stop by Park View usually to tease us all. I won't be able to be at the service but I will certainly be with you in thought and prayer.*

“ When I remember Bill, I cannot help but think of \$2.00 bills. I still have the ones he gave me for my grandchildren. He was one of the most thoughtful people I know. I am sure he will be missed. My thoughts and prayers are with his family. God Bless!

“ I served on the Gemstone Eagle Board with Bill for several years and knew him through my work with Troop 171 at WCUMC for many years prior to that. He was without a doubt, one of the finest people I know. He was so humble and kind and just a real joy to be around. He will be so missed at the District Board. My thoughts and prayers to his children and brothers. He was one of the really good ones.

“ I am so sorry for your loss. Bill was the kindest and gentlest man I have ever known. He loved his family and friends. He came into my world 6 months after my father passed and I believe he was sent to ease that pain. Thank you Bill for everything you did for me. I'll never forget you.
