“ *I didn't know Nanny very well, only was around her a few times, but what I do remember is her infectious laugh, and great sense or humor. The world would be a better place if we had more ladies like Nanny. The Plylers are so very blessed to have Nanny as a part of their lives. Sherry Long, Meeteetse, WY*

“ Whenever I visit Genesis I will always miss seeing Wilma. She always had a big smile for everyone, was very kind and loving to my friend Terry. When I would leave her words to me were "be safe and I love you." My prayers and sympathy to the family, may God Bless them and all the happy memories help them through this sad time.

Sincerely,

Carol Steinmetz and Terry Nagel
