“ I have many childhood memories that Gene and I share. I have told my two sons several of them so many times that they feel as if they were there with us. I've always appreciated the memories of my youth, now I treasure them. Gene had more personality than one man could ever ask for. I'll miss him but I'll never forget him.

“ Cathy, Children and Family, There's no words I can say that will bring much comfort. I've been there. But the support from your family, friends and God will see you through. Trust in the Lord with all your heart. Gene is in a better place and he's going to watch over all of you until you can be with him again one day. I am sure he's playing cards with Derek up in heaven. Gene is one in a million. His infectious smile and laughter will not be forgotten. Through you and all of us who loved Gene, his memory will live on. I am here for you guys in anyway possible. I'm praying for you all always. God doesn't give you what you can handle, He helps you handle what you are given.
