“ *To Vicki, Woody, Millette, and Alex,*

We are thinking of you as you say goodbye to Sonny. Sonny and Vicki have always been a delightful couple. I remember being a junior bridesmaid at their wedding. We last saw them at my mother's funeral in November, 2014.

Sonny always had an easy countenance and a quiet dignity that I admired. He was a good man, a good husband, and a good father. He was a man of integrity who loved and cared for his mother and his wife and family. He served well and his life made a difference.

I know you all will miss him dearly. May you find comfort in your grief and may you always feel the presence of Sonny with you.

Love and deepest condolences,
