“ Good ole Bob !! Couldn't ask for a better neighbor, just like a family member. Every Holiday he would leave our favorite beverage in our outdoor refrigerator. We enjoyed many Holiday parties here with Bob. Will miss he sweet laughter and his sweet kind ways and words. Always around to lend a helping hand when he could. RIP Bob !! We love ya !!

“ My Uncle Wylie was always so kind! I spent a lot of time with him while I was growing up. He would play catch with me and we would talk about football. We would also talk about sport cars. He was the person who finally taught me how to drive manual transmission car. It was in a VW dune buggy. I still drive a stick shift now. I always looked forward to seeing him! He will missed. Heaven added an Angel! ❤️❤️❤️
