“ I met Xymena at Pitt County NC while working in the ED. She was an amazing smart and kind RN and her warmth was always so radiant. Such a pleasure to know and work with. She will be greatly missed but I am so grateful to have had the pleasure of knowing her. My condolences and prayers for her family. Dee

“ I will never forget the day I met Mrs. Solano. She had this smile on her face that lit up the room. Although we did not know each other very long, she left an impression on my heart that will never be forgotten. I pray for peace and understanding during this difficult time.
